Instructions for Students

1. Fill in your name, team and iGeo student number on the front page of this Answer booklet.
2. Fill in your iGeo student number at the top of each answer sheet.
3. Answer all questions in the spaces provided in this Booklet in English.
Keep the left margin free for markers.
Please write clearly.
Please use blue or black pen, not pencil.
4. Where appropriate, please write sentences or phrases, not single words.
5. Where appropriate, give only the required number of answers (reasons, examples etc.)
For instance, if the question asks for 2 reasons and you give more than 2, only the first 2 reasons will be marked.
6. Use the blank pages for diagram drawing if the question states so.
7. Write your answers to each section only in the pages provided.
Write down the question number clearly (e.g. (a), (ai), (aii), (b), (c) etc.) next to each answer.
8. Indicate the page numbers and Section number at the bottom of each page (e.g. Page 1 of 4 for Section A).
9. At the end of the test, arrange your answers in order of the pages for each Section. You are responsible for ensuring that your answers are in order when you scan and upload each document.
